Uganda

Private, family-friendly safari.

Kibale forest is also known as the primate capital of the world hence keeps 13 primate species chimpanzees being top most being the chimpanzees you will also have sight of the L'hoest monkey, threatened Red colobus monkey, black and white clonus monkeys, blue monkey, grey-cheeked managabey, red tailed monkey, bush baby patto among others.

3 DAYS KIBALE CHIMPS SAFARI ITENERARY

Day 1: Transfer from Kampala to Kibale National Park

On the start of the safari you will be picked up by our safari guide and transfer to the destination (Kibale National Park) with lunch en-route, on arrival you will check into the hotel, have dinner and overnight at the lodge.

Accommodation

- Chimpanzee Forest Guest House(budget)
- Kibale Forest Lodge (mid-range)
- Primates Lodge(luxury)

Day 2: Chimpanzee tracking or habituation

Following your breakfast will be the primate tracking or habituation adventure in the forest. The chimpanzees in Kibale forest are quite a great number so you will surely be able to see them and interact with them alongside which you will also be in sight of the primates such as grey-cheeked mangabeys along with l'Hoest's, red colobus, red-tailed and blue monkeys. The days guide will tell you more about the flora and fauna. You head for lunch, in case you are not participating in chimp habituation. You can relax at the lodge or engage in a community walk to the neighboring local communities. Back to lodge for dinner and overnight.

Day 3: Cultural Tour and Transfer to Kampala

You will wake up to an early morning breakfast treat and there after you will then proceed to **KAFREAD** where you will be escorted by a guide to take on the Bigodi swamp walk. More to it is the cultural walk that includes fascinating cultural show cases at the Bigodi homesteads, where you will observe the preparation of local food, traditional weaving, done by the Bigodi Women's Group. You can choose to continue south to Semliki National Park, or return to Kampala.
